Sequoits Scalp Glenbrook, Wauconda; To Play Fenton Friday and Zion Saturday; Underclassmen Beat Spartans & Bulldogs

Antioch Frosh-Sophs Still Out in Front With Two Victories

The Antioch Sequoits tucked two more scalps under their belts during the past week, winning from Wauconda here 54 to 40 last Friday, and from Glenbrook there Monday night by the close score of 63 to 62.

Friday night they will play their second game of the season with Fenton of Bensenville here, also the last basketball game against that Cook County team as a member of the Northwest conference.

In the earlier game the Sequoits beat Fenton 66 to 65, so this shows what the local boys will be up against. Antioch will journey to Zion Saturday night to play the ZeeBees. Zion beat Barrington which shows the ability of that team.

Antioch didn't have too much trouble beating Wauconda, although the Bears made nearly as many field goals as did the Sequoits. Wauconda made only four of her 18 free throw attempts, while Antioch made 16 of her 23 charity tosses.

Both teams played ragged ball during the first half but improved in the second half. Art Hanke and Wayne Herbst carried most of the scoring load with 16 points each made in identical manner.

Freund was high point for Wauconda with 18 points.

Many Uphill Battles
In the game against Glenbrook at Northbrook Monday night Antioch fought an uphill battle all the way and broke out for the victory the final moments. Sequoits were as much as 10 to 15 points behind at times.

It was a well-played game said Coach Larry Leon, who observed that the Glenbrook players were hot, making 48 per cent of their shots from the field.

The Spartans scored two more field goals than did the Sequoits, who, however, outscored them at foul line, making 19 of the 22 free throws.

Big Night for Behrens
It was a big night for Dick Behrens, Sequoit sophomore guard, who scored nine field goals and made both of his two free throw attempts. It was his set shot and free throws that put Antioch ahead in the last seconds of play.

Also hitting both from the floor and from the free throw line was Jerry Huml who made every one of his eight free throws and scored a total of 18 points.

Sawyers, Spartans forward, scored 10 field goals, his last one coming within eight seconds of the final gun, narrowing what had been a three-point margin for Antioch to one point.

The Glenbrook game is typical of (continued on page 7)

Seek Volunteers for Red Cross Fund Drive

A special appeal for volunteers to assist in the forthcoming Red Cross Fund Campaign has been made by Rear Admiral Raymond D. Edwards, Volunteer General Chairman for the '57 fund appeal in Lake County.

"Volunteers to serve in all capacities are needed," Admiral Edwards said. "In Waukegan alone we could use easily a dozen or more workers to staff our Fund Campaign offices. People are needed to type, take shorthand, coordinate speaking engagements, package and coordinate display materials and workers materials, and do the many odd tasks connected with a fund drive."

"There is a special need in all communities throughout the county for volunteers who will contact nearby friends and neighbors for contributions. The basis of Red Cross is the golden rule," he said. "And now is the time everyone in Lake County can practice that Red Cross tradition—not only by giving money; but giving some time and effort." The drive will begin March 1 but volunteers are needed immediately," Admiral Edwards said.

Admiral Edwards said Antioch Township residents can call Dr. J. W. Kopriva or John Horan of Antioch, Tel. No. Ant. 81-J, or Ant. 645-J if they want to donate their service to the Red Cross Fund drive.

Scouts Attend Service

Antioch Boy Scouts with their troop leaders, representing troops 80, 91 and 92 with Pack Troop 92 for a total of fifty-two scouts attended the 7:30 service last Sunday at St. Peter's church and following the service, which was listed as father and son's Sunday, all gathered in the church basement for breakfast and heard the speaker, John Kakacek, talk on his wrestling experiences.

Crusade for Freedom Campaign Next Week In All Area Schools

Representatives of Antioch Township High School's student council will go to the grade schools next Tuesday and Wednesday in enrolling school children for the annual Crusade for Freedom.

The high school likewise will be canvassed.

All pupils will be given an opportunity to sign the freedom scroll and to make a voluntary contribution for themselves or their families.

The money contributed will be used to help radio-free Europe to continue to help and inform the enslaved peoples of Europe.

Heart Fund Canvass Set for February 24; Mrs. Horan Chairman

Mrs. John L. Horan is chairman of a group that will make a house to house canvass Sunday, Feb. 24 in receiving gifts for the Heart Fund.

The Chicago Heart Assn. which takes as its territory Cook, Lake and DuPage counties, is attempting to raise \$910,000 to continue and expand the program which includes: Forty-six research projects, 25 of which receive support from the Chicago Heart Fund, and 21 on grants returned to Chicago from the American Heart Assn.

A central artery bank supplying grafts for blood vessel surgery.

An all-out rheumatic fever prevention campaign.

Work simplification classes for cardiac women.

Screening cardiac children for school replacement.

Vocational guidance for children with heart disease.

Ten other parts of the program are listed.

Of the money spent only three per cent is spent for administration. Seven per cent is spent for public relations and fund raising, however. Other portions of the dollar are 47½ cents for research, 15 cents for community service, 15 cents for education and 12½ cents for the national program.

Farm Bureau to Hold Estate Planning Meet

One of the most important meetings of the year for Farm Bureau members will be the estate planning session to be held on Tuesday, Feb. 19, in the Grayslake American Legion Hall at 1:15 p.m.

Part of Farm Bureau's expanded service-to-member program, this meeting could easily mean the saving of a large fraction of one's estate that is almost certain to be consumed by legal fees, estate taxes and forced sales if the estate is not properly planned and managed.

Sponsored jointly by the Illinois Bar Association, University of Illinois College of Law, and the Illinois Agricultural Association, the meeting will be conducted by attorney John Heuer of Sycamore, who has recently attended a special session on estate planning at the University of Illinois.

A new and valuable booklet entitled "Estate Planning Problems of the Farmer" will be given to members attending the meeting.

Even Temperatures for Antioch in February

The weather in Antioch held fairly steady during the past week with the high moving between 33 and 40 and the low between 26 and 31, according to Roy Kufalk, co-operative observer.

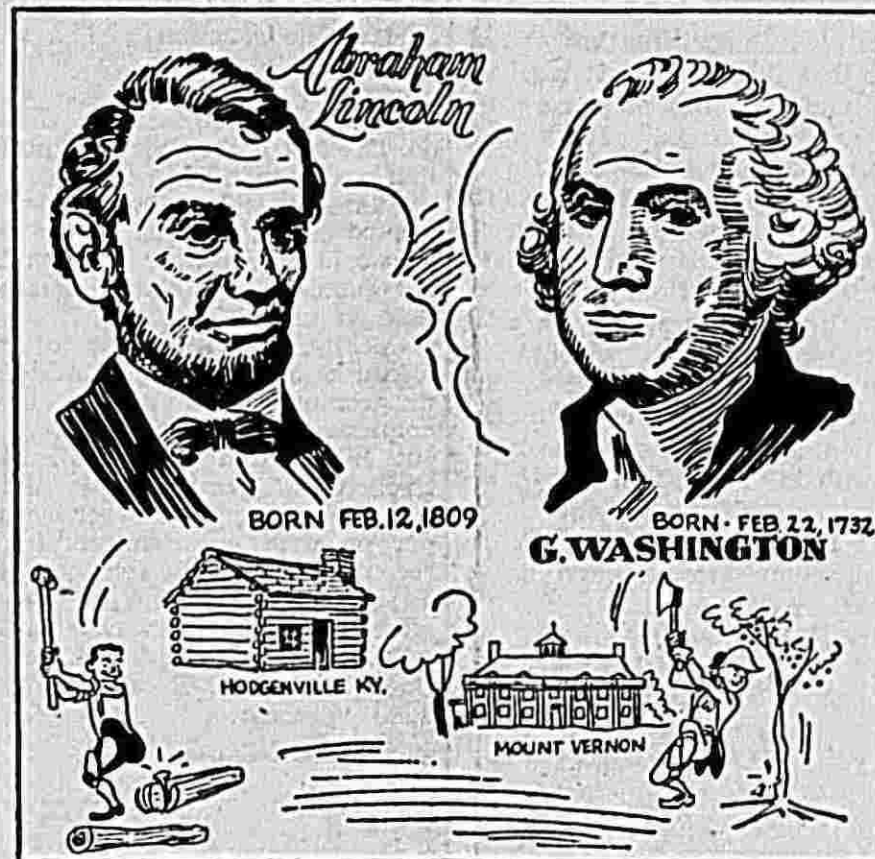

The high for the month so far is 40 degree on both the 5th and 12th, and the minimum 9 degrees on both the 4th and 5th.

Six tenths inch of snow Tuesday amounted to six-hundredths inch when melted. There has been less than a half inch of precipitation so far this month the most being .31 inch on the 9th.

Starts New Cab Service

Nick Badame today established his new taxicab service with his stand at Lake and Main st. beside the D-X Service Station. With a new 1957 cab, Badame is prepared to give good service. He has operated a cab in Chicago for the past six years, but now lives in the Antioch community and prefers to give service in his home territory.

FREEDOM'S FOREFATHERS

Campaign to Raise Fund to Purchase Boy Scout Camps, Sites Starts Locally

An estimated 500 Boy Scouts of the Antioch and Lake Villa areas may have more camping facilities in the future if the local campaign to raise money for camps and camp sites is successful.

William D. Shaw, Libertyville, in charge of industrial gifts for the northwest section of the Council, conferred with William Brook, local chairman of industrial solicitation Tuesday, and Elmer Kolb, Libertyville, and Paul Hakanen, Glenview, council chairman for general gifts, met with representatives of a dozen units of Boy Scouts of this area Friday in discussing the campaign.

Dr. A. N. Berke, assisted by Charles J. Cermak, Jr. will have charge of special gifts solicitation industry.

Shaw said that there is a need for two equipped camp sites within a 40 mile radius of the area; need rehabilitation of an old camp, and a new site across the lake from Camp Ma-Ka-Ja-Wan. An explorer's wilderness area also is needed. The fifth need is a permanent scout headquarters.

A minimum of \$320,000 is needed to meet this five-point challenge, Shaw said.

"It is vital that the cub of today may be able to camp tomorrow. The present summer camps, and overnight camps will be inadequate for the large number of boys coming into scouthood."

Candidate for Trustee, Nine Township Offices Filed This Past Week

One candidate filed for village office and nine for township posts during the past week.

George E. Kellogg 151 Timber Lane, Oakwood Knolls subdivision filed for village trustee.

Kellogg a former painting contractor and still engaged in painting, is seeking to represent his community.

"We feel we should have some representation on the village board," said Kellogg who is vice president of the Oakwood Knolls Civic association. "There are now 100 homes in this new community now a part of Antioch, and our association has 75 members."

Kellogg is running as an independent.

On the township ballot, John O. Olsen has decided to remain on the ticket as a candidate for assessor and will oppose Henry J. Rentner. An application has been taken out for a third candidate, according to Clerk Llewellyn R. Van Patten, Jr. Recent filings are:

For justice of the peace, Herbert J. Litchfield; for constable, Richard Eckert, Herbert W. Horton, Walter Pauch, and Willis Shannon.

Mrs. Louise R. Vos and Mrs. Lillie M. Petty are candidates for the two positions on the library board.

School Band to Play At Grade School P.T.A. Meeting Monday Night

The Antioch Grade School Parent-Teacher Association will hold its meeting at 8 p.m. Monday in the school gymnasium.

The school band which will participate in the district band contest will provide the entertainment. It will play promptly at 8 o'clock and the members will be served refreshment while the parents are having their business meeting.

Refreshments will be served by the third grade room mothers. Mrs. Jack Crandall, Mrs. B. C. Thompson and Mrs. Norman Jedeke are in charge.

Antioch Scouts May Go To National Jamboree

Antioch Boy Scouts who decide to attend the National Jamboree at Valley Forge National Park from July 10 to 19 where 50,000 Scouts and Explorers from the United States and many parts of the world will camp, will make the trip by airplane, according to James Horton, local scout leader.

A sight seeing trip will start July 6, visiting key points in and around Washington D.C.

Those who plan to make the trip are to call Horton at Antioch 641-J and must make a \$25 down payment of the \$225 at once because there are only 25 openings left.

Six Persons Injured In Antioch Area Car Crashes This Week

Automobile accidents early Sunday morning in which four persons were hurt, and another at 9 a.m. Tuesday on Rte 45 near State Line Rd. in which two more were injured called for first aid attention from the Antioch Rescue squad.

Walter Garver, 27, of Antioch suffered chest injuries, Cletus Seitz, 21, Salem, Wis., suffered cuts and bruises and Frederick Ruetz, Kenosha, Wis., received face cuts at 3 a.m. Sunday in a collision at Rte. 173 and Tiffany Rd.

The accident occurred when Seitz made a right turn from Tiffany rd. into Rte. 173, the car swinging wide into the opposite lane and in the path of the car driven by Garver, and carrying Ruetz.

The more seriously injured were taken to Victory Memorial hospital by the Rescue squad for treatment.

Seitz was arrested for drinking driving.

Another mishap on Rte. 173 200 feet west of Circle Dr. resulted in a bump on the head for Virgil C. Burnett of Main st., Antioch.

Burnett was parking by Adolph's Channel Inn when the motor of his car went dead with the front end still on the main highway. Burnett's car was struck by the auto of Anton Huber of Channel Lake. Deputy sheriffs arrested Huber for reckless driving.

The car bearing Mr. and Mrs. William Becker of Burlington, Wis. skidded off Rte. 45 and struck a tree near the Illinois-Wisconsin state line at 9 a.m. Tuesday. They were taken to Victory Memorial hospital, Waukegan by the Rescue squad for treatment of cuts and bruises, none of which is believed to be serious.

A snowy pavement was said to be responsible for Mr. Becker losing control of the car. Mrs. Becker is an aunt of Morris Blumberg of the Blumberg Furniture Co. in Waukegan.

Ed Kidera Candidate For L. Villa Supervisor

Edward Kidera, a resident east of Lake Villa, has filed his petition as a candidate for supervisor of Lake Villa township running as an independent.

"I am not opposing any one on the Peoples Party ticket," said Kidera, "I'm just seeking the office."

Edward Tiede is the present holder of the office and is seeking reelection.

Kidera is prominent in Lake Villa Township politics and school affairs.

Antioch Sales Tax for Dec. Was \$3,117.67

Springfield, Ill.—City sales tax collection during December netted Antioch municipalities \$3,978,953, a report to Governor William G. Stratton from the state Department of Revenue showed today. The Dec. collection represents the one-half cent city sales tax on business transactions during November.

Gross collection for the month was \$4,232,929. Before distribution to the cities assessing the tax the gross figure was reduced by \$253,975, the amount held back by the state for its six per cent administration cost.

The 876 cities assessing the one-half cent sales tax on November business represent an increase of 20 over the preceding month. By Jan. 16 the list had grown to 906.

Antioch's amount was \$3,117.67; Fox Lake, \$2,954.12; Grayslake, \$2,291.95; Lake Villa, \$494.09; and Zion \$3,772.38.

Re-elected to Board

Mr. and Mrs. John L. Horan attended the 25th annual installation dinner of the Cook County Past Commanders' Club of the Legion at the Morrison Hotel last Saturday evening. Mr. Horan was installed for the fifth year as a member of the executive board of the club.

Funeral Wednesday For Roger Lang, 16, Victim of Car Crash

High School Students Serve As Pall Bearers for Junior Classman

Funeral services were held at 11 a.m. yesterday for Roger Lang, 16, Antioch High School junior and varsity athlete, who was fatally injured Saturday night in an automobile accident on Rte. 50 seven miles north of this village in Kenosha county, Wis.

Fellow students who last week played with him in varsity basketball and took part with him in other school activities served as pall bearers.

They are Wayne Herbst, Frank Sebesta, Frank Ferdon, Richard Hogan, Richard Jonas, and Edward Kadlec, the latter two close companions.

One hundred and fifty students were excused from their classes so they could attend the funeral service.

The service was at the Strang Funeral home with the Rev. Edmond Hood of St. Ignatius Episcopal church officiating. Burial was in Home Oak cemetery.

Roger received his fatal injuries when his mother's car he was driving in the company of his uncle, Warren Laufenberg, 16, Chicago, skidded on a patch of ice on a curve 1½ miles west of Rte. 83 and crashed into a power pole.

The unconscious youth was taken to Memorial hospital in Burlington, (continued on page 12)

Vocal Concert Sunday At High School Public

The Antioch Township High School Music Department will present a concert of vocal music at 3:00 p.m. Sunday, in the high school auditorium.

Entitled, "Music for a Sunday Afternoon," the vocal presentations will feature popular music, music from Broadway shows, and the greatest music of all, music of the church.

The Sunday afternoon concert will be open to the public. There will be no admission charge.

"Honest Abe" Days Draw Smaller Crowds Than Previous Sales

The "Honest Abe" special sales days conducted by the Antioch merchants failed to reach proportions of previous sales sponsored by the Chamber of Commerce which have been whoppers.

Business on Monday was just a normal day, but on Tuesday the buses and the fact there was school vacation gave more persons opportunity to take advantage of the bargains.

Closing of the banks on the holiday which prevented many from getting available money, and the earliness of the week were ascribed as reasons more people did not take advantage of the low prices.

The merchants have concluded that the sale also was too near after Christmas when first of the year bills, heating bills, and income tax are due which left many without money regardless of the bargains offered.

The experiment probably will not be repeated next year, but the other sales during the year which have drawn crowds no doubt will be conducted again.

Car, Truck Accident At Lake Villa Tuesday

Injured in a car, truck collision Tuesday on Rte. 21 south of Grand ave., at Lake Villa, were George TeBrake, age 53, of Trevor, Wis., chest and face cuts; Bessie TeBrake, 42, his wife, chest injury and shock; Joe Kay, Jr., 19, of Trevor, bruised left arm; and Frank Raske, 33, of Chicago, head bruises.

Sheriff's deputies said the four were taken to Victory Memorial hospital by the Lake Villa Rescue squad. TeBrake was charged with reckless driving and will appear before Justice of the Peace Carlton Smith.

The TeBrake car was heading south on rte. 21 when it swerved into the northbound lane and crashed into Raske's northbound truck.

Fundamentals for the Farmer

The address made by Charles B. Shuman, president of the American Farm Bureau Federation, at that organization's recent annual meeting was notable by any standard.

Mr. Shuman laid down a set of fundamentals that are basic to a sound and successful agriculture. The first is freedom to change—to make shifts in farm operations in response to variations in supply and demand. That freedom, he then pointed out, has been restricted by government pricing and acreage control programs.

A second fundamental—and to many minds this will seem the most important of all—is a free market for farm products, a market in which farmers "... are free to sell their products at any time, at any place, and in any quantity for the best price possible." One of the features of such a market, Mr. Shuman pointed out, "is that it clears itself." And he gave as a concrete example of this: "During the past year, we have produced livestock and dairy products at an all-time high rate in a relatively free market, and yet we have little accumulation of surplus. ... Consumers have increased their consumption of meat, milk, and poultry products and farmers have marketed the increased volume at prices which have resulted in improved farm income."

Still another fundamental is the opportunity to accumulate capital and to own property. Here Mr. Shuman made a trenchant comment: "One of the greatest barriers to the accumulation of capital is high taxes. In turn, high taxes are a result of the public demand for more and more government services. Farmers have been as guilty as other folks in their demands for the subsidies and protection that big government offers."

This is but a brief summary of a long address that deserves the widest possible reading. Mr. Shuman pointed to the road that can lead to the greatest long-run material benefit for the farmer—even as he keeps his freedom.

* * *

"The Most Advanced Reactor Program"

What do atomic energy authorities, industrialists, editors and opinion leaders, and ordinary citizens throughout the free world think of the United States' program for the development of peaceful use of nuclear energy?

An answer has been provided by Nucleonics Maga-

zine, which conducted a survey on this vitally important question in 11 countries—Australia, Austria, Brazil, France, West Germany, India, Italy, Japan, Lebanon, Mexico and Spain.

According to this international poll, 75 per cent think that we lead in nuclear development—as against 13 per cent for Great Britain and 10 per cent for Russia. The magazine itself said editorially: "Our opinion is that the U. S. has the most important reactor program in the world. And it is the one that is having—and will have—the greatest impact on the reactor thinking of every country in the world, including the U. K. and the U. S. S. R."

Here is an authoritative rebuttal to those who have been led to believe that this country is lagging in reactor development, and that the only cure is an all-out government "crash program." Much has been made of the fact that England—starved as she is for oil and coal—has put a nuclear electric plant into operation. The real significance of this event has been well described by an Italian industrialist. He said: "Britain has achieved in the field of reactors operated by natural uranium and graphite an advanced degree of technical performance, which will allow of immediate industrial results. However, Americans have attacked the problem on a much wider front. In our opinion, in a few years almost all the types of reactors now being studied in the U. S. will be able to attain that level of performance now attained by British technology in the single field of reactors using natural uranium, graphite and gas."

A Model Law

All but a handful of the state legislatures meet this year. And one proposed law which, it is expected, will be introduced in legislative sessions of the states that have not yet enacted it, should stir up little or no controversy.

The law is called a "Uniform Gifts to Minors Act," and it has been adopted by the National Conference of Commissioners on Uniform State Laws and approved by the American Bar Association. It has, so far, been enacted by 13 states and the District of Columbia. Its purpose is to encourage gifts of securities to minors, by providing a simple and convenient way of doing that.

The reason for such a law lies in old and obsolete statutes which, in many cases, make it necessary to establish costly and cumbersome guardianships or trusts before securities can be given to minors. The new and model law, in effect, makes it possible to give these forms of property with a minimum of difficulty. Incidentally, the Internal Revenue Service has ruled that up to \$3,000 in stock (\$6,000 for a married couple) may be given to a child each year under the statute without incurring a gift tax.

The great virtue of this was expressed by the president of the New York Stock Exchange in these words: "Stock gifts ... allow one to build a reserve for children which can grow as they grow. At the same time such gifts offer our younger generation a practical education in the workings of our economic system. ..."

Wilmot

Mrs. Herman Frank, Correspondent
Tel. Trevor 2752

Mrs. Marlin Schnurr attended the National gift show at the Palmer House, Chicago, Monday.

Mrs. William Scott, Mrs. Floyd Gyger, Sr., Mrs. Josie Johnson, Mrs. Dan Fleming, Mrs. Herman Frank, Chucky and Teddy Winn, and Mrs. Arthur Winn met Tuesday afternoon at the home of Mrs. William Harms for a pot luck dinner in honor of Mrs. Arthur Winn's birthday. Bunco was played and prizes awarded to Mrs. Dan Fleming and Mrs. Josie Johnson.

Mother's Club card party will be held Feb. 19 at the high school lunch room. Hostesses are: Mesdames Joe Rausch, Dodge, Kube, Phillips and Louis Gandt.

Mr. and Mrs. John Hasselman, Mrs. Millie Darby, Kenosha, and Miss Janice Van Patten, Silver Lake spent Sunday at the Schubert-Albrecht home.

Bid and Chatter Club met Wednesday afternoon at the home of Mrs. William Harms. Hostess was Mrs. Herman Frank, and prize was awarded to Mrs. William Harms.

Mrs. Elmer Rasch and Mrs. L. Sweet spent Monday with Mrs. O. R. Cubbon, Waukegan.

Mr. and Mrs. Frank Zarnstorff, Sr., Mr. and Mrs. Alfred Oetting and family spent Friday evening with Mr. and Mrs. Clifford Schaal, Powers Lake, to celebrate Douglas' birthday.

Mr. and Mrs. Norman Roberts and family were Sunday guests of Mr. and Mrs. Steve Roberts, Milwaukee.

Mr. and Mrs. Cyril Pacey spent Saturday evening with Mr. and Mrs. Glen Pacey, Rock Lake Highlands.

Mr. and Mrs. Loren Magee, Genoa, Ill., spent Sunday afternoon with Mr. and Mrs. Cyril Pacey.

Mr. and Mrs. Raymond Stoen, Jr., and family, Mr. and Mrs. Leland Pacey and Leland, Jr., were Sunday

guests of Mr. and Mrs. Harold Pacey, Richmond, Ill.

Mrs. Walter Frank spent Friday with Mrs. Robert Henkel, Kenosha. Mr. and Mrs. Ted Leiting and family, Ft. Atkinson, Mr. and Mrs. Kenneth Leiting of Kenosha were Sunday dinner guests of Mr. and Mrs. Ervin Rasch.

Mr. and Mrs. Bob Speaker and Elaine, Richmond, Ill., spent Sunday afternoon with Mr. and Mrs. Cyril Pacey.

A polio benefit dance will be held at the Bassett hall Feb. 16 given by the Square Dance club. Music will be by Walter Frank. Pot-luck and free will offering.

Mrs. Ervin Rasch entertained her

500 club Wednesday afternoon.

Mr. and Mrs. Francis Wagner and family, Elkhorn, spent Sunday evening with Mr. and Mrs. Wayne Tilton.

Mrs. Harvey Brown entertained the W. S. C. S. Sewing Circle Thursday afternoon.

Mr. and Mrs. Geoffrey Goulding and family and Mrs. Henry Vincent spent Sunday at Libertyville, Ill., with Mr. and Mrs. William Maxey. Mrs. Vincent remained for a week's visit.

Once upon a time ...

there was a man who bought a great big Dinosaur. That's what he called it. Actually it was a great, big . . . automobile. It was so big it wouldn't fit into his garage. So he had to rebuild the garage so the car would fit.

Science in Your Life

Most Common Cold

Nothing, it seems, is quite so demeaning as the common cold. Even the name of the disease suggests that uncommon people never get it, which of course is nonsense. As for the wheezing, dripping, bone-aching sufferer, the unfeeling spectator dismisses his ailment as of no real importance, and cartoonists make up jokes about it.

While it is true that nobody ever died of the common cold, a really heavy siege of this ancient affliction can make the victim feel sicker than many more serious diseases do. The fact is the degree of malaise that a sick man feels is often quite unrelated to the seriousness of his illness—and the virus of the common cold can produce more malaise per cubic inch in the human body than do many killers.

Luckily, in these days of new, effective drugs, the sufferer from the common cold is not entirely helpless. He can, for instance, clear out his stuffed nose most effectively with Tyzine, a clear solution which can be applied either by dropper or with an atomizer. In one recent test which lasted more than a year, over a thousand patients were treated in this way by a California physician, Dr. Jay G. Roberts. The results, Dr. Roberts reported, were "prompt and prolonged," a

single application of the drug gave relief lasting from four to six hours, and produced no unwanted side-effects whatsoever.

Until an effective anti-cold vaccine is developed, sufferers will have to rely on relief of individual symptoms. Fortunately, these are becoming more and more effective as science learns more about cough, sneezing and pain.

Key to the Best Farm Kitchen

When remodeling a kitchen, add real convenience by arranging it on a center-by-center basis. Plan work areas or "centers" for cooking, baking, clean-up, dining, family activities, business and planning, sewing, and laundry.

Carefully consider major equipment on hand, or to be purchased, says the February issue of Successful Farm magazine. Then, decide on how much work space is necessary, and how much specialized

storage is needed for supplies and equipment at each of the centers. The centers must be fitted together into a compact, step-saving arrangement for the utmost in convenience. This need not be difficult, the magazine says, if you make a scale drawing of the kitchen floor plan, then fit the centers into place, being careful to locate them handy to each other.

Senator McClory Says Thirty Million To Be Paid State's Charity

The 70th Illinois General Assembly has passed a deficiency appropriation for public assistance of more than \$30,000,000. This is the amount by which the Public Aid Commission underestimated the expense to the State of all forms of public charity; Senator Robert McClory (Rep.) Lake Bluff, said, "The deficiency bill was passed as an emergency measure in order to avoid any lapse of payments to the recipients."

A number of startling facts were brought out in the hearings before the State Senate, said the Senator. Among these facts are the following:

1. The public assistance programs in Illinois cost in excess of \$150,000,000 per year.
2. The state relief load is increasing every year despite general prosperity and low unemployment.
3. Rules of the Public Aid Commission permit a party to receive unemployment compensation and also general assistance.
4. Approximately 50% of all "Aid to Dependent Children" goes to support illegitimate children.
5. Local relief rolls are being reduced while the State relief program continues to enlarge.

6. Most of the State relief programs employ "matching" funds from the federal government, which encourages a switch from local programs of relief to State programs.

The fallacy of federal "matching" is nowhere more glaringly demonstrated than in the public programs. At the State level, we have been induced to appropriate funds in order to secure a "gift" of matching funds from the Federal treasury. Yielding to the temptation of "free" federal funds, the State and Federal governments have usurped the function of local relief. We have been swept into a great federal-state program of cradle-to-the-grave care, at the expense of the taxpayer and at the sacrifice of local self-government and local self-sufficiency.

In public assistance, more than any other field, a reversal of the trend away from local responsibility and control is essential.

Woodland Winter Frolic Includes Old-time Dance

Snowmen and Snowflakes will help set the scene for the "Winter Frolic" to be held at the Woodland School near Gages Lake on February 16. There will be modern and old-time dancing to the music of Bessie Barnes and her orchestra. From 8:30 till 9 p.m., Jim Adams will give

free square dancing instructions so that everyone will be ready when the "do-si-dos" are called during the evening.

One of the highlights of the event will be the home made free refresh-

ments that will be served to the guests.

The school is located on Gages Lake Road between Route 45 and Edic Road. Tickets may be purchased at the door.

Through the Oven Door

by your
Ceresota
REPORTER
Add the professional touch to your gingerbread or cake by sprinkling confectioners' sugar on the top through a paper lace dolly. The resultant lace-patterned design will bring immediate compliments from your family or guests.

You can always tell the difference between fruits that are fully ripened on the tree and those that are picked before their time.

Same way with flour. Given time after milling, nature turns flour snowy white without the use of bleaching agents—a natural way of doing things that preserves all the natural goodness and flavor.

And this is something to remember: While other flours are bleached—Ceresota is made the old-fashioned, natural way! Ceresota is NATURALLY WHITE and every bag is proudly labeled "UN-BLEACHED" to tell you that this is the finest flour you can buy. Yet it costs no more at your grocer's.

Don't forget that the center of your oven is the best baking location. Cookie sheets or pans too close to the sides will prevent even baking. Generally, allow about two inches between the pan and the oven wall on all sides.

Here's lots of fun—in only 15 minutes! Let your youngsters take a handful of these "County Fair Peanut Cookies"—and watch them come back for more.

County Fair Peanut Cookies

Ingredients

- 1/2 cup shortening
- 1/4 cup peanut butter
- 1/2 cup sugar (granulated)
- 1/2 cup brown sugar
- 1/4 teaspoon vanilla
- 1 egg
- 1/2 teaspoon salt
- 1 teaspoon baking powder
- 1 cup Ceresota unbleached flour
- 3 tablespoons milk
- 3/4 cup chopped peanuts

Cream shortening, peanut butter, add sugars, vanilla and egg. Beat until fluffy. Add sifted dry ingredients alternately with milk. Blend in peanuts and mix well. Drop by spoon onto greased cookie sheets. Bake in 350° oven for 15 minutes.

Fundamentals for the Farmer

The address made by Charles B. Shuman, president of the American Farm Bureau Federation, at that organization's recent annual meeting was notable by any standard.

Mr. Shuman laid down a set of fundamentals that are basic to a sound and successful agriculture. The first is freedom to change—to make shifts in farm operations in response to variations in supply and demand. That freedom, he then pointed out, has been restricted by government pricing and acreage control programs.

A second fundamental—and to many minds this will seem the most important of all—is a free market for farm products, a market in which farmers "... are free to sell their products at any time, at any place, and in any quantity for the best price possible." One of the features of such a market, Mr. Shuman pointed out, "is that it clears itself." And he gave as a concrete example of this: "During the past year, we have produced livestock and dairy products at an all-time high rate in a relatively free market, and yet we have little accumulation of surplus. ... Consumers have increased their consumption of meat, milk, and poultry products and farmers have marketed the increased volume at prices which have resulted in improved farm income."

Still another fundamental is the opportunity to accumulate capital and to own property. Here Mr. Shuman made a trenchant comment: "One of the greatest barriers to the accumulation of capital is high taxes. In turn, high taxes are a result of the public demand for more and more government services. Farmers have been as guilty as other folks in their demands for the subsidies and protection that big government offers."

This is but a brief summary of a long address that deserves the widest possible reading. Mr. Shuman pointed to the road that can lead to the greatest long-run material benefit for the farmer—even as he keeps his freedom.

"The Most Advanced Reactor Program"

What do atomic energy authorities, industrialists, editors and opinion leaders, and ordinary citizens throughout the free world think of the United States' program for the development of peaceful use of nuclear energy?

An answer has been provided by Nucleonics Maga-

zine, which conducted a survey on this vitally important question in 11 countries—Australia, Austria, Brazil, France, West Germany, India, Italy, Japan, Lebanon, Mexico and Spain.

According to this international poll, 75 per cent think that we lead in nuclear development—as against 13 per cent for Great Britain and 10 per cent for Russia. The magazine itself said editorially: "Our opinion is that the U. S. has the most important reactor program in the world. And it is the one that is having—and will have—the greatest impact on the reactor thinking of every country in the world, including the U. K. and the U. S. S. R."

Here is an authoritative rebuttal to those who have been led to believe that this country is lagging in reactor development, and that the only cure is an all-out government "crash program." Much has been made of the fact that England—starved as she is for oil and coal—has put a nuclear electric plant into operation. The real significance of this event has been well described by an Italian industrialist. He said: "Britain has achieved in the field of reactors operated by natural uranium and graphite an advanced degree of technical performance, which will allow of immediate industrial results. However, Americans have attacked the problem on a much wider front. In our opinion, in a few years almost all the types of reactors now being studied in the U. S. will be able to attain that level of performance now attained by British technology in the single field of reactors using natural uranium, graphite and gas."

A Model Law

All but a handful of the state legislatures meet this year. And one proposed law which, it is expected, will be introduced in legislative sessions of the states that have not yet enacted it, should stir up little or no controversy.

The law is called a "Uniform Gifts to Minors Act," and it has been adopted by the National Conference of Commissioners on Uniform State Laws and approved by the American Bar Association. It has, so far, been enacted by 13 states and the District of Columbia. Its purpose is to encourage gifts of securities to minors, by providing a simple and convenient way of doing that.

The reason for such a law lies in old and obsolete statutes which, in many cases, make it necessary to establish costly and cumbersome guardianships or trusts before securities can be given to minors. The new and model law, in effect, makes it possible to give these forms of property with a minimum of difficulty. Incidentally, the Internal Revenue Service has ruled that up to \$3,000 in stock (\$6,000 for a married couple) may be given to a child each year under the statute without incurring a gift tax.

The great virtue of this was expressed by the president of the New York Stock Exchange in these words: "Stock gifts ... allow one to build a reserve for children which can grow as they grow. At the same time such gifts offer our younger generation a practical education in the workings of our economic system. ..."

Mrs. Marlin Schnurr attended the National gift show at the Palmer House, Chicago, Monday.

Mrs. William Scott, Mrs. Floyd Gyger, Sr., Mrs. Josie Johnson, Mrs. Dan Fleming, Mrs. Herman Frank, Chuckie and Teddy Winn, and Mrs. Arthur Winn met Tuesday afternoon at the home of Mrs. William Harms for a pot luck dinner in honor of Mrs. Arthur Winn's birthday. Buncie was played and prizes awarded to Mrs. Dan Fleming and Mrs. Josie Johnson.

Mother's Club card party will be held Feb. 19 at the high school lunch room. Hostesses are: Mesdames Joe Rausch, Dodge, Kube, Phillips and Louis Gandt.

Mr. and Mrs. John Hasselman, Mrs. Millie Darby, Kenosha, and Miss Janice Van Patten, Silver Lake spent Sunday at the Schubert-Albrecht home.

Bid and Chatter Club met Wednesday afternoon at the home of Mrs. William Harms. Hostess was Mrs. Herman Frank, and prize was awarded to Mrs. William Harms.

Mrs. Elmer Rasch and Mrs. L. Sweet spent Monday with Mrs. O. R. Cubbon, Waukegan.

Mr. and Mrs. Frank Zarnstorff, Sr., Mr. and Mrs. Alfred Oetting and family spent Friday evening with Mr. and Mrs. Clifford Schaal, Powers Lake, to celebrate Douglas' birthday.

Mr. and Mrs. Norman Robers and family were Sunday guests of Mr. and Mrs. Steve Robers, Milwaukee.

Mr. and Mrs. Cyril Pacey spent Saturday evening with Mr. and Mrs. Glen Pacey, Rock Lake Highlands.

Mr. and Mrs. Loren Magee, Genoa, Ill., spent Sunday afternoon with Mr. and Mrs. Cyril Pacey.

Mr. and Mrs. Raymond Stoen, Jr., and family, Mr. and Mrs. Leland Pacey and Leland, Jr., were Sunday

guests of Mr. and Mrs. Harold Pacey, Richmond, Ill.

Mrs. Walter Frank spent Friday with Mrs. Robert Henkel, Kenosha.

Mr. and Mrs. Ted Leiting and family, Ft. Atkinson, Mr. and Mrs. Kenneth Leiting of Kenosha were Sunday dinner guests of Mr. and Mrs. Ervin Rasch.

Mr. and Mrs. Bob Speaker and Elaine, Richmond, Ill., spent Sunday afternoon with Mr. and Mrs. Cyril Pacey.

A polio benefit dance will be held at the Bassett hall Feb. 16 given by the Square Dance club. Music will be by Walter Frank. Pot-luck and free will offering.

Mrs. Ervin Rasch entertained her

500 club Wednesday afternoon.

Mr. and Mrs. Francis Wagner and family, Elkhorn, spent Sunday evening with Mr. and Mrs. Wayne Tilton.

Mrs. Harvey Brown entertained the W. S. C. S. Sewing Circle Thursday afternoon.

Mr. and Mrs. Geoffrey Goulding and family and Mrs. Henry Vincent spent Sunday at Libertyville, Ill., with Mr. and Mrs. William Maxey. Mrs. Vincent remained for a week's visit.

Science in Your Life

Most Common Cold

Nothing, it seems, is quite so demeaning as the common cold. Even the name of the disease suggests that uncommon people never get it, which of course is nonsense. As for the wheezing, dripping, boneaching sufferer, the unfeeling spectator dismisses his ailment as of no real importance, and cartoonists make up jokes about it.

While it is true that nobody ever died of the common cold, a really heavy siege of this ancient affliction can make the victim feel sicker than many more serious diseases do. The fact is the degree of malaise that a sick man feels is often quite unrelated to the seriousness of his illness—and the virus of the common cold can produce more malaise per cubic inch in the human body than do many killers.

Luckily, in these days of new, effective drugs, the sufferer from the common cold is not entirely helpless. He can, for instance, clear out his stuffed nose most effectively with Tyzine, a clear solution which can be applied either by dropper or with an atomizer. In one recent test which lasted more than a year, over a thousand patients were treated in this way by a California physician, Dr. Jay G. Roberts. The results, Dr. Roberts reported, were "prompt and prolonged." A

single application of the drug gave relief lasting from four to six hours, and produced no unwanted side-effects whatsoever.

Until an effective anti-cold vaccine is developed, sufferers will have to rely on relief of individual symptoms. Fortunately, these are becoming more and more effective as science learns more about cough, sneezing and pain.

Key to the Best Farm Kitchen

When remodeling a kitchen, add real convenience by arranging it on a center-by-center basis. Plan work areas or "centers" for cooking, baking, clean-up, dining, family activities, business and planning, sewing, and laundry.

Carefully consider major equipment on hand, or to be purchased, says the February issue of Successful Farm magazine. Then, decide on how much work space is necessary, and how much specialized

storage is needed for supplies and equipment at each of the centers. The centers must be fitted together into a compact, step-saving arrangement for the utmost in convenience. This need not be difficult, the magazine says, if you make a scale drawing of the kitchen floor plan, then fit the centers into place, being careful to locate them handy to each other.

Senator McClory Says Thirty Million To Be Paid State's Charity

The 70th Illinois General Assembly has passed a deficiency appropriation for public assistance of more than \$30,000,000. This is the amount by which the Public Aid Commission underestimated the expense to the State of all forms of public charity; Senator Robert McClory (Rep.) Lake Bluff, said, "The deficiency bill was passed as an emergency measure in order to avoid any lapse of payments to the recipients."

A number of startling facts was brought out in the hearings before the State Senate, said the Senator. Among these facts are the following:

1. The public assistance programs in Illinois cost in excess of \$150,000,000 per year.
2. The state relief load is increasing every year despite general prosperity and low unemployment.
3. Rules of the Public Aid Commission permit a party to receive unemployment compensation and also general assistance.
4. Approximately 50% of all "Aid to Dependent Children" goes to support illegitimate children.
5. Local relief rolls are being reduced while the State relief program continues to enlarge.

6. Most of the State relief programs employ "matching" funds from the federal government, which encourages a switch from local programs of relief to State programs.

The fallacy of federal "matching" is nowhere more glaringly demonstrated than in the public programs. At the State level, we have been induced to appropriate funds in order to secure a "gift" of matching funds from the Federal treasury. Yielding to the temptation of "free" federal funds, the State and Federal governments have usurped the function of local relief. We have been swept into a great federal-state program of cradle-to-the-grave care, at the expense of the taxpayer and at the sacrifice of local self-government and local self-sufficiency.

In public assistance, more than any other field, a reversal of the trend away from local responsibility and control is essential.

Woodland Winter Frolic Includes Old-time Dance

Snowmen and Snowflakes will help set the scene for the "Winter Frolic" to be held at the Woodland School near Gages Lake on February 18. There will be modern and old-time dancing to the music of Bessie Barnes and her orchestra. From 8:30 till 9 p.m., Jim Adams will give

free square dancing instructions so that everyone will be ready when the "do-si-dos" are called during the evening.

One of the highlights of the event will be the home made free refresh-

ments that will be served to the guests.

The school is located on Gages Lake Road between Route 45 and Edic Road. Tickets may be purchased at the door.

Auxiliary News

Antioch Unit, American Legion Auxiliary held a stated meeting Friday Feb. 8. After the business of the meeting was concluded, games were played and refreshments were served by the hostess, Myra Randall.

Membership

The membership chairman, Gloria Carriek reported the Unit to have surpassed its membership quota by one. The quota set for Antioch Unit is 116 and the Unit now has 117 members.

District Meeting

Baxter Evans Unit, Waukegan was hostess Unit for the district meeting on Wed. Feb. 13. Each Unit in District 10 was asked to have their colors present to take part

and an evening of entertainment is planned by the committee. All Auxiliary members and their families are invited.

Crusade For Freedom

Antioch Unit has several coin boxes placed at convenient places to collect what contributions our townspeople care to make toward the program "Crusade for Freedom". The President of the National Auxiliary, Mrs. Leta Zeller, has just returned from a "Crusade for Freedom" tour thru the European Countries. An excerpt from her letter to the National New states:

"The Iron Curtain is not a figure of speech. It is real and it is horrible. When I visited East Berlin, I viewed a weirdly dismal stretch of ruins, except for 'Stalin's Alley' — a street of office buildings and apartments which made wonderful propaganda while under construction. Russian soldier-police patrolled the streets where depressed looking people walked as if in a dream. Even the children, poorly clad and under-nourished, wore blank expressions on their faces—faces completely without joy or the happiness that every child deserves.

Today children by the thousands are fleeing Hungary. In their haste to leave, some fled without shoes and clad only in scanty garments. They need warm clothing, and we as an Auxiliary can help to supply that need. Our help will be such a small way to assist to start life

anew in a strange land and in many instances separated from loving parents."

No contribution is too small or too large to help fill the Unit coin-boxes, and will do so much for these stricken people.

We, in America do not fully appreciate the wonderful land we live in.

America's leading coal-carrying river, the Ohio, transported nearly 38,000,000 tons of coal in 1955 according to American Waterways Operators, Inc.

Wilted Wife?

Get her an Electric dryer... the kind that's fully automatic, fume-free, fast and thrifty!

Any woman who has an electric dryer could tell that "wilted wife" it's just like having a "sun" of your own.

It's true. Because electric heat is clean, dry and radiant just like the heat that comes from the sun. So everything you dry electrically comes out sweet smelling and fluffy.

Of course, all electric dryers are automatic. Fully automatic! They're safe for all of your clothes—even the delicate new synthetics. Fast, too! You can dry a load of cottons in 25 or 30 minutes. (Just 6¢ worth of electricity will do the job.)

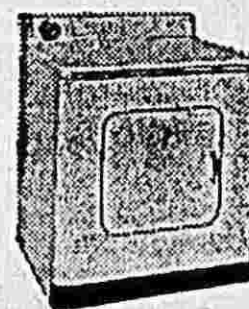

All of the new "no-vent" dryers are electric. Heat, lint and moisture are disposed of automatically. So your laundry area stays clean, dry and comfortable.

And, look! You don't have to wait to get an electric dryer. They cost less to buy than any other kind. Why not see the new models today!

See your electric appliance dealer

Public Service Company

Commonwealth Edison Company

Big Saving—ask your dealer about our Share-the-Cost Installation Plan. It's the low-cost way to get the modern 100-amp home wiring you need for today's electric living appliances. The Plan is available to qualified home owners on terms up to 2 years.

If you own an electric range, you save up to \$25 on a new dryer! In fact if you have any 240-volt appliance your home probably has modern wiring already. This means the complete, installed price of your new electric dryer will be less than any other kind.

Just 6¢ will dry a big load electrically!

Lake Villa

Mrs. Fred Bartlett, Correspondent
Tel. Elliot 6-4454

The Lake Villa Parent-Teacher association will hold its annual Founders Day meeting Monday, Feb. 18, at 8 p. m. at the Grade school gym. The past presidents will be honored at the meeting.

Seventeen girls met at the home of Mrs. Margaret McNeill of Deep Lake last Monday for the first meeting of the Busy Bells of the 4-H Club. Judy Zellbon gave a talk on the responsibilities of a 4-H member.

Mrs. Lela Barnstable, Mrs. Edna Botts and son, Danny, attended the wedding reception of William Botts at Woodstock Saturday, February 9.

Edna Botts visited her aunt, Mrs. Alice Haake of Waukegan last week. Mrs. Edith Gerber is confined to her home because of illness.

Clifford Gerber, Jr., is recovering at his home after a recent operation he had at the Lake County hospital.

Mr. and Mrs. Richard Samurstein of Milwaukee, Wis., entertained the following guests at the Stafford hotel in honor of their 25th wedding anniversary: Mrs. Helen Emerson, Mrs. Joseph Rippis, Amelia Strongberg and a number of members of the Moose lodge of Milwaukee.

June Schwartz, Ella and Doris Gordon, Helen Emerson and Helen Finkelstein did volunteer nursing at Downey last Thursday afternoon. Refreshments of doughnuts and coffee were served to the staff and the Veterans. Various games were played as entertainment for the veterans.

Rebekah Lodge of Chicago had friends night last week and the following were guests: Mrs. Mable York of Ingleside, Mrs. Mable Wilson of Lake Zurich, Mrs. Jack Law of Baldwin, Mich., Mrs. Helen Emerson of Lake Villa and Mrs. Sam Finstein of Peoria, Ill. They also visited Mrs. Emerson's aunt and uncle, Mr. and Mrs. Jack J. Weidbold of Des Plaines.

Ernest Porter spent a few days last week at the Veterans hospital at Downey as a patient.

Newcomers welcomed to the Fox Lake Hills are as follows: Mr. and Mrs. Florian Halewinski, Mr. and Mrs. James Fletcher and family, Capt. and Mrs. Frank E. Johnson and family, Mr. and Mrs. Arne Anderson and family, Mr. and Mrs. Frank Affetto and daughter and Mrs. Affetto's mother, Mr. and Mrs. Edward Kusnier, Mr. and Mrs. H. L. Bluske and Mr. and Mrs. Guy Hamm.

Taxpayers' Federation Tells How Bills Become Laws

Over 2,000 bills are normally introduced at a session of the Illinois General Assembly. These bills determine the laws by which we live. Because of the impact of those that become law upon the lives of Illinois citizens, the Taxpayers' Federation of Illinois is presenting a series of informational articles on how a bill becomes law.

Most bills are one, two, three or four printed pages in length. A few are more than one hundred. Some change only a single word in the existing law. Others completely rewrite or add new "codes."

Included in the mass of bills are the appropriations to run the State government and to provide for state aid for schools, public aid, roads and a myriad of other purposes.

First, comes the drafting of the

proposed legislation. Bill drafting is a specialized field. For this purpose, a small group of bill drafting specialists is retained by the General Assembly in the Legislative Reference Bureau. These attorneys either draft or scrutinize 90 per cent of all the bills introduced. Without the services of this agency, unmeasurable confusion would exist and the load of the courts in constitutional review would be greatly increased.

State agencies, civic organizations and the legislators themselves also draft legislation. Usually, however, this proposed legislation is cleared by the sponsors with the Legislative Reference Bureau to be certain that it meets the proper legal form.

After the legislation is drafted, a sponsor or sponsors must be obtained. Sponsors are members of the General Assembly who sign their names to the bills and carry the responsibility of guiding them through the complex legislative process. Many measures are sponsored by a single member. Often, three sponsors are secured if the legislation concerns a specific legislative district. In those few instances when measures are sponsored by a large number of legislators, names of the principal sponsors are listed first.

Administrative measures are usually sponsored by the majority leader and the whip of the house of introduction or by the chairman of the committee on appropriations if the bill carries an appropriation. It is the legislative sponsors who introduce the bills.

TAX FACTS

Although the testimony to date from State spending groups has been that they will need additional tax revenue equal to at least a one cent increase in the State sales tax, conservative State legislative leaders have not accepted the assumption that new tax increases need be imposed this session.

Senate assistant majority leader George Drach—Springfield attorney, businessman and civic leader—is one influential member who is still not convinced that an increase is necessary. "All the evidence is

not in," says Drach. "This is not a session for tax raises, especially any that aren't absolutely necessary."

Meanwhile, The parade of those who spend continues before the Budgetary Commission. This week the Department of Agriculture appeared to request new millions for State fair ground improvements and included testimony that they would like an 18% increase in operating budget. This is about par for the course as testimony to date has so far run.

The University of Illinois and other State colleges are seeking close to a \$40 million increase in operating expenses, plus tens of millions more for new buildings. State support of public aid will be up at least \$30 million despite prosperous times. Salary increases for State employees will cost millions more.

Add to this the estimates that at least \$63 million more will be need-

ed to support the State-aid program for schools. This amount simply to provide for the increased number of children expected to attend school.

Cost of operating the State government has risen from \$987 million for the biennium ending in 1949 to more than two billion dollars for the forthcoming biennium, if all new requests for spending are authorized. A small portion of this can be accounted for by the increased cost of living. Another small portion by the increased State Population. But the large remainder comes from new and larger programs and from building of bureaucracy.

"The problem is not one of finding new revenues, for the money available is greater than any time in the State's history," Maurice W. Scott, executive secretary of the Taxpayers' Federation said. "No Taxpayers' Federation said. "No amount of revenue is sufficient

Come try the **BIG BUY**

(You can boss this Buick Special
for little more than the price of a smaller car!)

ONE LOOK at that price figure and you'll know that—again in 1957—if you can afford a new car you can afford a Buick.

This fact has won hundreds of thousands of new owners to Buick in the past—and it's winning them again this year.

Because—look what you get for so little extra money.

You get the most completely new Buick brought to market in years.

Not just brand new in styling and brand new in body design.

But new in features that make this the dream car of the year to drive.

You get brand-new performance

because the engine is literally new from the crankshaft up.

You get a brand-new instant response because we engineered brand-new torque into Variable Pitch Dynaflo.*

And to give you the new sure-footed safety of a lower center of gravity—we built a brand-new frame—which lowers the car, but keeps the headroom, legroom and footroom that a big car should have.

Fact is, there are more than 150 other chassis changes in this '57 Buick—waiting for you to try them. Do that soon—at your Buick dealer's.

*New Advanced Variable Pitch Dynaflo is the only Dynaflo Buick builds today. It is standard on Roadmaster, Super and Century—optional at modest extra cost on the Special.

Manufacturer's Suggested Price—
for this

2-Door SPECIAL 6-Passenger Sedan

\$2595⁸³

(including Delivery and Handling Charges and Federal Excise Taxes) Transportation charges, state and local taxes, accessories and optional equipment, including Dynaflo transmission, radio, heater and white sidewall tires, additional. Prices may vary with individual dealer pricing policies.

Brand-
NEW
DYNAFLO PERFORMANCE

SOCIETY EVENTS

Karen Lightsey Elected Queen Of Skat. Party

Miss Karen Lightsey was elected queen for the Winter Formal skating party to be conducted at Rollin' Wheels Roller rink at Twin Lakes Sunday, evening Feb. 24. The election was held Sunday evening at a Valentine party.

Miss Lightsey is the daughter of Mr. and Mrs. Dan Lightsey of Antioch. Miss Lightsey selected as her king, Jerry Burnett of Lake Villa.

Other court attendants selected are Misses Nancy Rybacki of Antioch; Lovaine Stowell of Trevor, Wis.; Juanita Schwartz of Silver Lake; Pat Price of Lake Geneva; Carol Phipps of Twin Lakes Delmar Staidi; William Marsden, Jim Corbett and Carter Vogt all of Burlington and Armond Nolan of Silver Lake.

The crowning will take place at 10 p.m. in a beautiful setting. Mr. and Mrs. Wm. Dunn, owners of the Rollin' Wheels have obtained king and queen chairs for them.

Trevor Ladies Auxiliary Plan Valentine Dance, Box Social for Saturday

The Ladies' Auxiliary of the Trevor Volunteer Fire Department are making final arrangements for their Valentine dance and Box Social, which will be held at the Chuckle Inn hall, Trevor, on this Saturday, starting at 9 p.m.

Music will be provided by the smooth and inviting notes of the famous "Golden Tones" of Mundelein, Ill.

During intermission the gaily decorated boxes of lunch will be auctioned off to give a more sociable and informal atmosphere to the evening's program. Variety dancing will also be a part of the evening's fund, including a few square dances with Gilbert Tuttle of Salem doing the calling.

The food box will entitle a lady to enter the hall free, if escorted. It must be neatly decorated and contain sufficient food for two people. She will eat the lunch with the gentleman who buys the box. Earl Elfers of Trevor will auction the boxes which are limited to \$2.00. The dance is open to the public. It is not just for the people of Trevor. Proceeds will be placed in the general fund until another item of equipment is purchased for the fire department.

The ladies will provide the St. Valentine's atmosphere by decorating the hall for the occasion. One of the special decorations is a giant sized heart decorated with styrofoam cutouts of hearts and cupid. A giant arrow pierces the heart in the center. It has the lacy edge, trimmed with bright roses and the traditional sweetheart words, "I Love You" in the center of the heart.

Mrs. Jim Gordon is general chairman. Other committees are:

Decorations—the entire membership; Food—Ebba Peterson, Vern Johnson and Elaine Schultz; tickets at the door—Mahala Arrison and Ethel Gordon; publicity—Florence Dexter; checkroom—Betty Lundgren and Bea Kresen.

Florence Dexter will be the mistress of ceremonies.

The firemen will also assist on various committees.

Jim Lucas Member Of Scholarship Society

Jim Lucas, son of Mr. and Mrs. John Lucas of Long Beach, California, was made a member of the Scholarship Society of Hamilton Junior High School of Long Beach. To be a member of the Society you must have straight "A's" and be a leader in your class, which makes the student eligible to take the Scholarship Examination.

The Lucas family are former residents of Antioch.

Receives Lions Honor

Dr. J. W. Kopriva, left, president of the Antioch Lions club, is shown presenting to Louis Biel, right, a plaque honoring him as the retiring president of the club.

Senior Representation On H.S. Variety Show Selected by Students

Five of the 10 numbers presented by the senior class in its variety show were selected by the student body to become a part of an all-school variety show to be presented March 21.

The favored numbers were: "Out of the Tropics," staged by Jerry Huml, Richard Sreh, Robert Doyle, and Roger Plechaty; instrumental trio by Frank Albert, Jay Cribb, and Bill Hendricksen; trumpet solo by Jay Cribb; dance by Rosa Mena; and "A Dame," skit by Lynn Bolton, Frank Albert, Elmer Oelkers, and Jay Cribb.

The junior variety show has been postponed until next Tuesday and the sophomores will present their show on next Thursday.

Lakeside Rebekah Lodge To Hold Sch. of Instruction

Lakeside Rebekah Lodge met in the I.O.O.F. hall Wednesday evening Feb. 6.

It was the first meeting conducted by the new officers. The Noble Grand, Mrs. Uudine Perkins has appointed the following committees: Ways and Means; Hortense Gordon, Zella Larson and Bernice Clark; Relief and Visiting Committee; Millicent McCauley, Clare Horton, Tillie Miller, Kathryn Dibble, Zella Larson, and Bernice Clark.

Resolutions: Hortense Gordon, Maude Johnson, and Kathryn Dibble.

Finance: Eva Gaylord, Velma Jackson and Goldie Stillson.

Publicity: Deborah Van Patter and Bernice Clark.

The next meeting of Lakeside Lodge will be held Feb. 20 and will be a school of instruction. The instructors will be present and the afternoon session will convene at 2 p.m.

A Pot-luck supper for members and their families also the members of the Antioch Odd Fellow Lodge and their families will be served at 6 p.m. The evening session of the Rebekah Lodge will convene at 8 o'clock.

Beisers' Entertain Guests Saturday

Mr. and Mrs. Nathan Beiser of Lake Villa, entertained the following guests at a buffet supper, Saturday evening at their home; Dr. and Mrs. Walter J. Reedy, Waukegan; Mr. and Mrs. Raymond Calucio, and Mr. and Mrs. Robert Vaughan of Lake Villa.

Mr. and Mrs. Frank Stevens of Richmond recently returned home after spending a month in New Orleans and Key West, Florida. While in Louisiana they spent several days visiting Mr. and Mrs. Hallie Johns at the Louisiana Ordnance Plant, Shreveport, Louisiana. Mr. Stevens is a former resident of Antioch.

Earl Arthur Home From Hospital

Earl Arthur, who was taken to St. Theresa hospital by the Antioch Rescue Squad over a week ago came home recently and is convalescing at his home.

Principals in Rainbow Installation

Rainbow installation, left to right, Marilu Bushing, grand representative to the state of Montana for Illinois, installing marshal; Eleanor Storch, retiring worthy advisor; Sigrid Petersen, incoming worthy advisor and Mrs. Dorothea Farm, mother advisor. Ceremonies took place on Saturday evening in Wesley hall.

Grass Lake P. T. A. to Hold Meeting Feb. 18

Grass Lake Parent Teachers Association will hold its next regular meeting, Monday, February 18th. A Founders Day program will be presented with Irving B. Enevold of Libertyville as guest speaker. Past presidents of the association will be honored guests. They are Mesdames Anna McCorkle; Eleanor Michell; Blanche Gibling; Elizabeth Anderson; Marie Yopp Schmid; Sybil Steiskal; Elsie Steltz; Kate Halvorsen; Francis Burke; Gordon Pierce, and Albert Geiard and Roy Frasier.

George Pierce, president will preside at the February meeting.

Monday Antique Day At Antioch Woman's Club

"Antique Day" will be held by the Antioch Woman's Club at 1 p.m. Monday when its meeting is held at the Scout Home. Each member is asked to bring a family heirloom.

Hostesses for the afternoon will be Mesdames Ray Bruhn, John Brogan, Norman Benson, Frank Powles, Clarence Kufalk, Lulliver Lasco, D. E. Francisco, O. I. Onstad and M. C. Cain.

Antioch Band Association To Sponsor Skating Party

The Antioch Grade School Band Parents Association is sponsoring a roller skating party for Thursday evening, February 21. Buses will leave the Grade school at 6:15 instead of 6:30 as usually scheduled. Tickets may be obtained from Mrs. Bruski at the school or at the rink door. The next meeting of the Association will be held March 5th.

Dr. Albert A. Bucar of Antioch, lectured recently at an assembly at the Illinois College of Optometry in Chicago. His subject was Optometric Practice. The Assembly was held by the Phi Theta Epsilon Fraternity as part of their program to bring practicing Optometrists before the undergraduate students. Dr. Bucar was formerly instructor in Clinical Optometry at the Illinois college of Optometry.

Mr. and Mrs. C. W. Wikoff and children Joan and Bobby of Urbana Illinois spent Sunday and Monday with Mrs. Wikoff's parents, Mr. and Mrs. Joe Rymer. They celebrated Joan's seventh birthday anniversary Sunday.

Mr. and Mrs. William Terry returned home Wednesday after a few days spent in Missouri.

A. T. H. S. Student Council Plans Dance for March 2

The Student Council of the Antioch High school is sponsoring an all-school dance which it has scheduled for 8 to 11:30 p.m. March 2.

The music will be furnished by the dance band, "The Sentimentalists," from LaGrange, Ill.

All high school students and their guests may attend. This will be a dress-up affair, but not formal. Dance tickets will go on sale tomorrow.

Women of Moose Initiate 4 Candidates

The Women of the Moose 735 met at the Moose home Feb. 7 at their regular initiation meeting. Four members were initiated at this time. They are Mrs. James Chiotham sponsored by Cerelda Jung; Mrs. Care Graifinghoff, sponsored by Harriet Grewe; Mrs. Howard Laurson, sponsored by Cerelda Jung; and Mrs. Emmett Mount, sponsored by Irene Noble.

Sixty-seven members were in attendance as well as four visitors from Crystal Lake Chapter 702, Imogene Ruckstahl, Clarine Boyle, Irene Jeller, Rachel Lamasney, Harriet Grewe, Sr. Regent, thanked all co-workers who attended the mid winter conference. Members were assured that Antioch Chapter 735 gave an excellent account of themselves as did all Chapters participating.

Blood Bank chairman Mildred Gillum urged all members to send in their blood bank cards as soon as possible. Refreshments were served by Ritual committee, Evelyn Erickson, chairman.

Mr. and Mrs. Perriquer Parents of Son

Mr. and Mrs. Francis Perriquer, both former teachers at the Antioch Township high school, announce the arrival of a son, "Mark Joseph," born February 8th at Du Pere, Wis.

Parents of Daughter

Mr. and Mrs. Kenneth Rentner are the parents of a baby daughter, born January 31, at Victory Memorial hospital, Waukegan. The little girl has been named "Diana Lynn."

Mrs. Robert Wilton, leader of the Women's Society of Christian Service, evening circle, will hold a meeting at her home on Victoria street, Wednesday evening Feb. 20 at 7:30 p.m.

Mrs. Charles Guthrie and Miss Lynn Rider left Saturday for Mrs. Guthrie's new home at 327 3rd St., East Pensacola, Pensacola, Florida.

W. S. C. S. Circles To Meet Feb. 20th

The various Circles of the Womens Society of Christian Service of the Methodist Church will meet as follows:

Mrs. Wm. Petty, Mrs. Wm. Frey, and Mrs. Sam Ries Circles will meet Wednesday Feb. 20th at one p.m. for dessert luncheon at the home of Mrs. Wm. Frey.

Mrs. O. R. Kresse, Mrs. H. Grenzmann, and Mrs. Louis Biel Circles will meet Feb. 20th at one p.m. for dessert luncheon at the home of Mrs. Norman Benson.

Mrs. John Wagner, and Mrs. S. Boyer Nelson Circles will meet Wednesday Feb. 20th at one p.m. for ressert luncheon at the home of Mrs. Clarence Olson.

Attention All F. H. A. Dads!

The Future Homemakers of America will sponsor their annual "Daddy-Date-Night" Thursday, Feb. 14th at 7:30 p.m. at the High School.

It provides a night of entertainment and fun for the fathers.

Because of successfully passing a test consisting of the general beliefs of F. H. A. a formal initiation of new members will also take place.

Mr. and Mrs. Roy T. Hyre of Antioch recently enjoyed a winter holiday in Nassau as guests at the Royal Victoria Hotel. The Hyre's were accompanied on their vacation by Mr. and Mrs. Talmadge Rauhoff of Chicago.

Air Force Academy Candidate

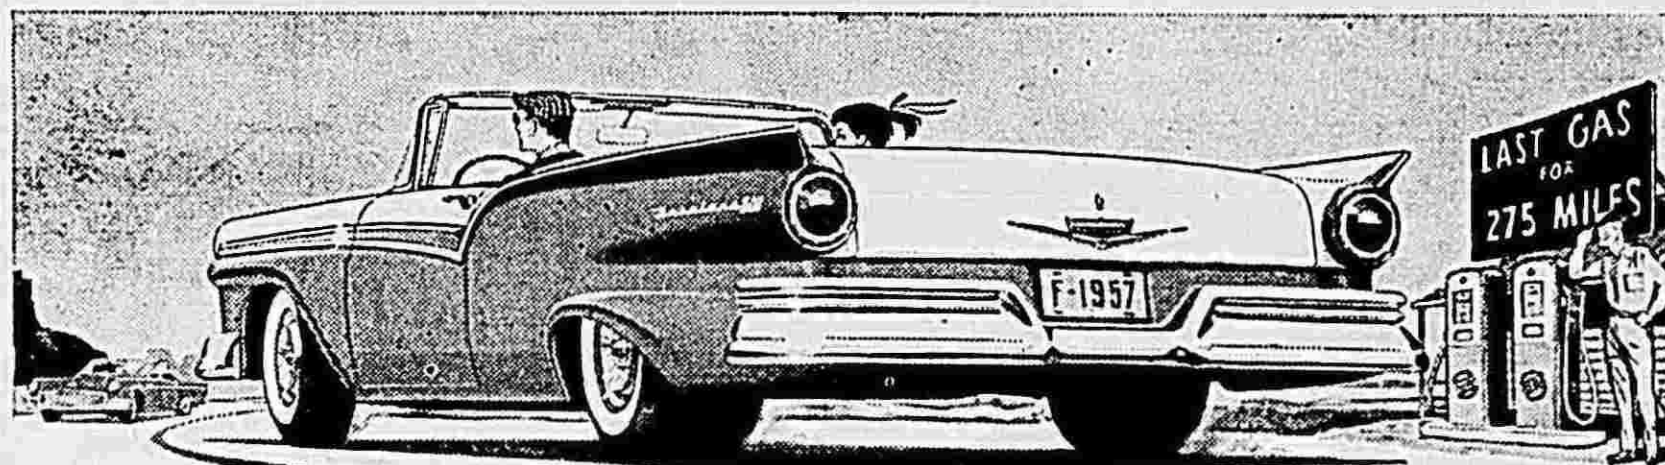

Representative Marguerite Stitt Church announced today that Fred J. Clarke has been nominated for possible admission to the 1957 class of the Air Force Academy.

Mr. Clarke resides at 410 Harden street, Antioch.

Parents to Accompany Children to Carnival

Fred Ohlrich, General Chairman of Crystal Lake's First Annual Winter Carnival, to be held in the spacious Field House of the Crystal Lake High School on March 2nd, 3:00 p.m. has emphasized that although the Carnival is a headliner in child appeal, it was also planned for a full two and a half hours of adult entertainment as well.

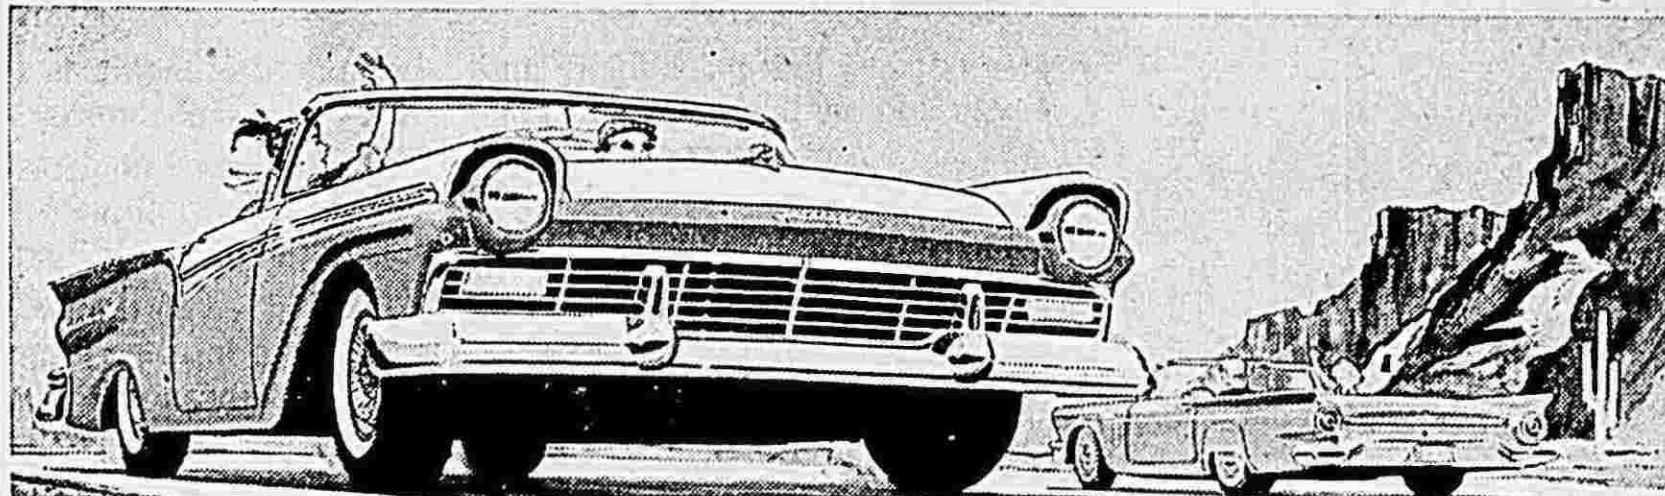

In the interest of safety and to permit a most enjoyable afternoon for all, it is pointed out that children under age of ten years should be in the company of an adult.

Eats like a hummingbird!

Like all the new '57 Fords, that sleek Sunliner up there lives on a mighty lean diet of gasoline. Big reason? Look underneath the new front-hinged hood of this over 17-foot long dreamboat. There you'll find a magnificent V-8 engine... an all-new, easier "breathing" power plant that

measures fuel and air more efficiently than ever before to give you fuller combustion, greater economy. There you'll find a completely new brand of Ford TNT that's the proud result of Ford's many years of V-8 leadership. Yes, "Six" or "Eight"... the going's never been so great!

Goes like a Thunderbird!

For a car that "eats" like a bird... just watch this new kind of Ford devour the miles! That's its new Thunderbird V-8 power* for you. It's the same kind of mile-melting power that sparks the mighty Thunderbird itself... the same staying power that hurried a '57 Ford over 50,000 salt-encrusted

miles at Bonneville in less than 20 days... at an average speed of more than 108 miles per hour! But Action Test the new kind of Ford. Feel the new solid, silent ride that stems from the all-new Inner Ford. Discover all the other reasons why Ford makes "luxury" a low-priced word!

*Ford offers V-8 engines in a wide range of horsepower - including a Thunderbird 312 Supercharged V-8 that delivers 300 hp and a 270-hp Thunderbird 312 Super V-8

Sample the savingful sizzle in the new kind of **Ford**

Mrs. Aura Saxton, 74, Dies After Long Illness

Mrs. Aura Saxton, 74, Channel Lake, died February 7 at 3:10 p.m. at the Lake County General hospital, following a lingering illness.

She was born October 2, 1882 in Ottawa, Illinois. She moved to Chicago and Harvey for twenty two years, moving to Channel Lake May 1, 1956. She was a member of St. Peter's church.

Survivors are a daughter Mrs. Marie Russel, Channel Lake, two brothers John Daley, Chicago and Eugene Daley, Pelican Lake Wis., two sisters Grace A. Bushy, Ontario, California and Lelia Lynn, Chicago, four grand children. She was preceded in death by her husband.

Funeral services were held at 10 a.m. Monday St. Peter's church.

Interment was in Mt. Carmel cemetery, Antioch.

Several Co. Schools Change Milk Program

Several elementary and high schools in Lake county are changing their school milk program to provide more milk for the students according to Ray T. Nicholas, Lake County Farm Adviser, who is co-operating with the University of Illinois, and the County Superintendent of Schools, W. C. Petty. Since the start of the present school year farm adviser Nicholas has discussed the program with superintendents and principals of more than thirty public and parochial schools in Lake county.

Due to the federal re-imbursement under the special school milk program, it is possible for most schools to provide the one-third quart cartons of milk at the same price as the one-fourth quart cartons. Schools serving type A, or B lunches under the National School Lunch program may receive up to 4 cents reimbursement for each half pint of milk served in excess of the first half pint in a type A or B lunch. All other schools and all child care institutions may receive up to 3 cents re-imbursement for each half pint they serve to children under the program.

Re-sale of Blue Cross Hospital Insurance in County Starts Today

Officers and directors of the Lake County Health Improvement association launched a re-enrollment in Blue Cross Plan for Hospital Care and Blue Shield Medical-Surgical Plan at a Kickoff meeting in Gurnee yesterday.

The meeting signaled the opening today of the re-enrollment, which will continue through February 28.

According to Joseph Geier of Gurnee, HIA president, the Blue Cross-Blue Shield program has proved so successful since its inauguration here by the HIA that membership is being offered to a greater number

of county residents during this limited period.

During the enrollment campaign, volunteer workers are visiting their friends and neighbors in the county to explain the Blue Cross-Blue Shield program and its liberal hospital, medical and surgical care benefits, and to accept applications for membership.

All residents of the county who are under 65 years of age, and who live on a farm or in a town of less than 2,500, are eligible to join Blue Cross and Blue Shield through the HIA if they are self-employed or work in a group of less than 10 employees. Both husband and wife must be under 65 on May 1 effective date of the program, to enroll on a family membership, and they may include all unmarried children under 19 years of age on that family membership, and at the same low rates.

Ernest L. Clark, 81, Buried Tuesday

Ernest L. Clark, 81, of Antioch, died Friday, February 8, at Venetian Manor rest home, following a lingering illness.

He was born February 28, 1875 in Antioch township, where he lived all his life with the exception of four years spent in Toledo, Ohio. He was a member of St. Peter's church and Holy Name Society of that church. He was a retired mail clerk. He was preceded in death by his wife Catherine, February 9, 1945.

Survivors are three sisters, Mrs. Eva Harrison and Mrs. Cora Todd both of Salem, Oregon and Mrs. Iva Aronson of Antioch.

Funeral services were held at 10 a.m. Tuesday at St. Peter's church. Interment was in Mt. Carmel cemetery.

Placed On Probation

Raymond Wehr, Petite Lake, was placed on one year probation by County Judge Minard E. Hulse, for his part in a strong armed robbery of Harold Marks, Jr. of Antioch, January 18th. The first thirty days are to be spent in the Lake County jail.

The Women's Society of the Lakeland Baptist church will meet Friday evening February 15 at 8 p.m. for its monthly meeting at the home of Mrs. Tom Ivester at Round Lake. Subject for the evening will be "Baptist In The Philippines."

\$3,688,625 for Road Construction
Contracts totaling \$3,688,625 for road construction in connection with Gov. Wm. G. Stratton's 1957 Illinois highway program were awarded last week at Springfield by the state Division of Highways. The contracts cover work to be done in Cook and six downstate counties. The highway division announced that bids on projected road work in four counties were rejected because they were higher than the state engineers' estimates. New bids are to be called for on these projects.

Millburn

Mrs. Frank Edwards, Correspondent
Phone Ellet 6-3323

Regular services at Millburn Congregational church, Feb. 17, include Sunday School at 9:30 a. m. and church services at 9:30 and 11 a. m.

The Study group met this morning (Thursday) at 9 o'clock at the home of Mrs. Lyman Thain.

The Millburn O. E. S. is sponsoring a card party at the Masonic temple at 8 p. m. Saturday evening, Feb. 16. All popular games will be played. There will be a bake sale, and refreshments will be served.

Miss Kathleen Barkman, home-making leader of Antioch High school was a dinner guest at the home of Mr. and Mrs. Kenneth Young Monday evening.

Mr. and Mrs. Don Voightlander and son, Michael of Kenosha were Saturday afternoon callers at the Herbert Graham home.

The Pilgrim Fellowship is sponsoring an old fashioned box social and home talent program Wednesday evening, Feb. 20, at 8 p. m. Ladies, bring lunch for two and the men bring their pocketbooks. Everyone welcome.

Children baptized at the morning service on Sunday were George Allen, son of Mr. and Mrs. George Swenson and Jeffrey Steven, son of Mr. and Mrs. George Sinesh.

Mrs. Linda Goble and Bill Harris of Franklin Park spent Sunday afternoon at the Kenneth Young home.

Twenty-two young people of the Pilgrim Fellowship enjoyed the Valentine party at the church Sunday evening.

Rev. and Mrs. L. H. Messersmith were guests of Rev. and Mrs. Arthur Kock of Mundelein Thursday evening.

The Couples club is having a square dance in the church basement Feb. 19, at 8 p. m.

Rev. L. H. Messersmith left Tuesday for Merton, Ind., to attend a Ministers' Conference.

Eddie Hoffman called on his father, Edward Druce at Wooster Lake, Friday.

Robert Cain, 672 North Main St., has enrolled as a student at Lawrence college, Appleton, Wisconsin, at the start of the second semester. A freshman at the college, he formerly attended the Antioch Township high school.

An American businessman, back from a trip to Europe, described the Eiffel Tower as looking like the Empire State Building after taxes.

Some women look as though they have been poured into their dinner gown without remembering to say "when."

Alcohol preserves almost everything except secrets.

In Memoriam

Lester Anthony Elmer Lasco. In sad but loving memory of my beloved son Lester who passed from this life Feb. 15 1954.

Dearest Lester and loving son I am your mother who missed you sadly and finds the time long since you went. I am your mother who thinks of you always and tries to be brave and content. Gone is my Lester I loved so dear. Silent his voice I loved to hear. It's sad but true and I wonder why the best are always the first to die.

O, loving Lester so kind and true it won't be long I'll be with you too.

Your loving Mother, Brothers and Sister.

Sequoits Win.....

(continued from page 1)
Antioch High's playing. In five of the last seven games the Sequoits have had to come from behind to win. They now have won nine conference games and lost two and have a record of 13-5 for all games this year.

Grant, although making but 12 field goals all game, made 29 free throws and beat Fentors Monday night 53-43 and thereby remained undefeated in first place in the Northwest Conference standing. The Bulldogs would have to lose two of their three remaining games and the Sequoits win all three for Antioch to gain a tie for the conference title. As it is, Antioch is undisputed in second place.

On the other hand the Antioch Soph-Fresh team beat the Glenbrook underclassmen Monday night 38 to 35, and the Wauconda Pupils here Friday night 64 to 26, and thereby held fast to first place in their conference standing while Grant with two losses is in second place.

Census Bureau to Make Travel Survey

A continuing sample survey of the travel habits of the American people is being launched this month by the Bureau of the Census, U.S. Department of Commerce.

This was announced today by Supervisor Theodore F. Olson of the Bureau's field office in Chicago, Ill., which will participate in the survey. The travel survey will be carried out in conjunction with the Census Bureau's monthly Current Population Survey of employment and unemployment.

Items to be covered in the travel survey include trips taken by members of the household, places visited and distances traveled, number of days away from home, methods of transportation used such as automobile, bus, train, ship or plane and the purpose of the trip such as business or pleasure. Facts collected in the survey will be used in planning and providing travel facilities and accommodations for the American public. Users of this information include airlines, bus lines, railroads, steamship lines, state and federal highway officials, local chambers of commerce, operators of hotels, motels, tourist camps, etc.

The travel questions will be asked of members of part of the households covered in the Current Population Survey which will be conducted locally and in 329 other sections of the country during the week of February 18. Current Population Survey information is collected locally by Mrs. Eleanor Whitney of Chicago, Illinois.

Show Business

And Brotherhood

Jackie Robinson is being quoted as saying, and rightfully so, that the national pastime of baseball has done much to overcome racial prejudice. Our Southern neighbors, struggling with the problem posed by the Supreme Court decision, might ponder the experience of the most bitterly competitive and heterogeneous populated business in the world—show business... never,

but never hear about showpeople acting up or playing down to a fellow performer because of race, creed or color. They eat together, play cards together, drink together and share in the others' triumphs and failures. There's even a team composed of an Arab and a Jew, Allen and DeWood, currently climbing up the ladder of laughs...

For reasons the psychologists might explain, a majority of the singing stars are either Negroes or of Italian extraction whereas the names that make the biggest news in the field of comedy are Jewish. I can think of only four well-known comedians, off-hand, of Italian descent: Jimmy Durante, George DeWitt, Jerry Colonna and the current star of the Copacabana, refreshingly funny Romo Vincent. Berle, Berny, Joe E. Lewis, Danny Kaye, Jerry Lewis, Red Buttons, Sam Levenson, Buddy Hackett, the Ritz Bros., Jerry Lester, Morey Amsterdam, Jackie Miles, Eddie Cantor, Phil Silvers, Alan King, Jani Murray, Joey Adams, Joey Bishop, Al Berny, Jack Carter, Gene Baylos, Jack E. Leonard, Henny Youngman, Sid Caesar, Dick Shawn, Groucho Marx and George Burns—all are Jewish.

The men who dominate the recording field, aside from Eddie Fisher, Tony Martin, Elvis Presley, Bing Crosby, Robert Merrill and Johnnie

Letters to The Editor

Dear Editor: I am sending to you an article written by our former Methodist minister, The Rev. G. Richard Tuttle, which I would be very happy to have you print in the Antioch News.—From a Reader.

FATHERS and MOTHERS

What are You Saying to Your Children?

Will you be honest with yourselves? What are you saying to your children about God? I'm not talking about what you're saying with your lips but what you're saying with your lives.

Are you saying that God doesn't really matter to you? Are you saying that praying doesn't matter? Are you condemning Godless Russia for teaching children atheism and then providing your children with a Godless home by the way you live?

Everyday you are communicating something to your children about God, in what you do and what you fail to do. Do your children look at you and decide that money and the repair of the house and the care of the yard are more important than God? Are your children discovering that you have no time for what ought to be the most wonderful relationship in your life and your home?

The Bible says that it would be better for a millstone to be hung about your neck and you to be dropped in the depth of the sea than to allow one little one to go astray.—Mother and Father, is your life leading your children to God? Even this day you can change this direction. God gives us strength to undo great wrongs—and he gives us boundless joy and victory when we see our wrong and turn unto Him.

Dear Editor, It's been many years since I was a resident of your fair city, having been born there in 1918 and leaving in 1934.

Being so many miles away and having a family has made me think more frequently of my childhood and the scenes and places and people I knew.

I have two reasons for writing this letter, first is to learn the address of my favorite High School Teacher, Miss Cornelia Roberts of Grass Lake, secondly to see if there is anyone living there now who I might have gone to school with and remembers me or my brothers and sister: Ray "Junior," Walter "Johnny," Enid, Doris, and Lyle Clifford Sheen. My maternal Grandparents were Mr. and Mrs. Walter Judson Van Duzer.

If there is anyone in Antioch or vicinity that would like to correspond with someone in the Puget Sound Country I would like to hear from them. We live about 25 miles from Mt. Rainier and 25 miles south of Tacoma. We have 20 acres on which we pasture a "family cow," a riding horse, and a few calves.

We have 4 children. The oldest 17½ the youngest 2.

If anyone would like to know about Washington State I'll be glad to answer any and all queries. And if anyone has Miss Roberts address I'd appreciate their sending it.

Sincerely, Enid L. Kreidler (nee Sheen), Rte. 1, Box 301, Spanaway, Washington.

Lake Villa Church to Hold Double Services

Sunday, Feb. 17, two services of worship will be conducted at the Lake Villa Community Methodist church, at 9:45 and 11:00 a. m. The minister, the Rev. Gerald B. Robinson, will preach the sermon entitled "The Word of Life." Nursery care is provided during both services for children under six years of age, and the usual schedule of Church School classes for young people from kindergarten through high school will be held at 9:45.

Special music for the early service will be provided by Ernest Neilsen. At the 11:00 o'clock service the senior choir, under the direction of Mrs. Gerald Robinson, will sing "Prayer" by Humperdinck, and a special guest soloist will bring the offertory solo. Miss Susan Romer will be at the organ for both services.

Youth Fellowship to Hold Skating Party

The Methodist Youth Fellowship of Lake Villa Methodist Church will have a roller skating party Sunday evening. Cars will leave the church at 8:30 p. m. to take members and their guests to the Twin Lakes Roller Rink. Miss Oma Lee Belke is in charge of arrangements.

New Circle Organized for Lindenhurst Women

Monday evening, Feb. 18, at 8 p. m. the newly-organized circle of the Women's Society of Christian Service of the Lake Villa Methodist church will hold its second meeting. This group, which is especially for the women of the Lindenhurst subdivision, will gather at the home of Mrs. William Mattice, Grand Ave. and Fairfield rd., for an evening of fellowship and business, during which they will elect temporary officers and select a name for the circle.

Choirs Begin Rehearsing Lenten Music

This week the choirs of the church will begin rehearsing music for worship services during Lent. The Junior choir will rehearse at the church at 3:15 p. m. Monday, Feb. 18, and the Senior choir on Thursday evening, Feb. 21, at 7 p. m. There are several openings for people wishing to share in the musical leadership of worship in the church, and both adults and young people

of high school age are invited to attend the rehearsals of the Senior choir. Children from the third grade through eighth grade are eligible for the Junior choir.

Membership Class Continues Study

The membership training class, under the leadership of Rev. Gerald Robinson, will meet as usual at 3:15 p. m. Friday, Feb. 15 and 22. The class is still open to sixth, seventh, and eighth graders who wish to affiliate with the Lake Villa church.

Three Events Scheduled for Wednesday

Wednesday noon (Feb. 20) the women of the Martha Circle of the Women's Society of Christian Service of the Lake Villa church will gather at the home of Mrs. Arthur Evans for luncheon and business meeting.

The pastor holds service of Condelight Meditations at the church every Wednesday evening from 7 to 7:30 p. m. This is a service of guided meditations and prayers for those in the community who feel the need of a personal intimate type of worship service.

Must Work or Face Jail in England

The jailing of a man in England for refusal to work points up the fact that in a welfare state the only way to deal with the "work-shy" is, in the end, the use of force, the magazine "Service" says in a March issue editorial.

Discussing the case of Robert William Doyle, first man to be sent to prison for refusing to work since Britain launched its welfare state, "Service," which is published monthly by the National Association of Manufacturers, observes that jobs are not scarce in Britain; the difficulty is just the opposite, a shortage of manpower.

"The Doyle case is not important because Doyle refused to work," says the editorial. "It is important because it is a symptom of the weakness of a system which makes it easy for people to draw government support instead of supporting themselves."

"This weakness lies in the fact that when a welfare state substitutes

promises of security and easy living for opportunity, freedom and incentives, there is only one way left to deal with the 'work-shy' people created by such a system. That way is the use of force."

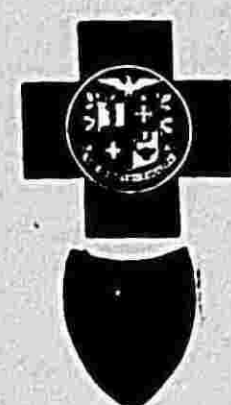

The four gilded bronze lions on the Cathedral of St. Mark's, Venice, Italy, were taken from Nero's triumphal arch in Rome.

Only the Mercury Monterey 4-door sedan offers all these features at such a low price!

Style—The glamorous Monterey 4-door has two distinct advantages for sedan enthusiasts: it has the clean, crisp hardtop look, plus conventional sedan rigidity. Bright metal moldings frame the windows and conceal the thin, strong center posts.

Size—Lowest, widest car in its field . . . most spacious interiors in its field . . . easier rear seat entrance . . . giant trunk capacity (34 cu. ft.) and widest trunk opening in its field.

Visibility—Full rear-seat vision . . . largest back window, up to 50% more glass area.

Engines—Most powerful engine for the money as standard equipment . . . highest standard compression ratio for the money . . . Thermo-Matic four-barrel carburetor as standard equipment . . . three-way transmission choice.

Features—Full-Cushion Shock Absorbers . . . swept-back ball-joint front suspension . . . reinforced box-section frame . . . front-hinged hood . . . triple-braced roof panel . . . glass fiber roof panel insulation . . . rear windows go all the way down—not just half way as in some competitive cars.

NEVER BEFORE HAS SO MUCH BIGNESS, LUXURY AND POWER COST SO LITTLE. SEE YOUR MERCURY DEALER NOW FOR FULL DETAILS.

Wilmot Loses to Both Burlington, L. Geneva; Play Delavan Tonight

Wilmot High will bring its conference basketball season to a close tonight at Delavan with an attempt to offset its recent losses to Burlington and Lake Geneva.

The Panthers lost a heart breaker to Burlington league leaders, by a score of 48 to 45 last Friday. The local squad had been tuned for the game and was out to tumble the neighbors from the top round of the ladder.

Wilmot led at the half 28 to 22 and it looked as though the upset was coming, the end of the third quarter the Panthers were still 40 to 38 although Burlington slowly crept up on them.

The visitors, however, established a tight defense in the final quarter and held Wilmot to five points while they were scoring 10.

Dick Timmer scored 25 points for Wilmot and played a good floor game, Ed Skora scored 14 and did a good job of rebounding. For Burlington Vorpapel scored 33 points and played a good all-round game.

The low score gave evidence of strong defense work by both teams.

Lake Geneva Game Let Down

The Panthers seemingly let down in their game with Lake Geneva Tuesday night after the Burlington battle, and lost 79 to 59 to a team they had beaten earlier in the season by the record score of 103 to 98.

Ed Skora was high point man for the Panthers, making 10 of his 14 tries for the basket from the field and a total of 30 points. He also made 10 of his 12 free throws besides doing a good job of rebounding. The other players were not up to their usual game.

Burnett and Magraf of Lake Geneva scored 21 and 23 points, both playing a good game. The Lake Geneva team was well balanced and every boy did a good job.

Salem Central Loses To Cedarburg 66-57

Salem Central lost to Cedarburg, Wis. 66 to 57 last Friday night on the Falcon floor in a hard fought battle in which fouls were the deciding factor.

Cedarburg took the first two quarters 13 to 11 and 20 to 8, leading at the half 33 to 19. Salem Central fought back hard in the second half and claimed both quarters but by too small a margin.

Ray Lubkeman, Falcon forward, played an outstanding game both offensively and defensively, scoring 16 points, Ralph Meyers was next high with 15 points.

Cedarburg's big guns were Gene Langlois and Dick Langlois who scored 23 and 16 respectively.

Plan Carrier Routes
Postmaster Roy Kufalk said that the directory for the foot carrier in Antioch is complete and work has been started on the directory for the mounted carrier. This is delayed because the department hasn't made final decision on the territory to be covered.

It Looks Like A Good One From Here

Dick Behrens of Antioch shoots one that appears to be good, but his teammates, Wayne Herbst, to his right, and Jerry Huml in the No. 44 white shirt are ready to grab the rebound. The boys in the dark shirts are Wauconda players and the game was one that Antioch took easily last Friday night.

Huml Leads Sequoits In Conference Scoring

Jerry Huml leads the Antioch High School varsity basketball team in scoring through conference play to date. Although his 166 total points exceed that of Wayne Herbst whose total is 139 Herbst made more field goals but fewer free throws.

Huml's personal fouls, although not recorded here, have been rather low in number. In a recent game he drew none whatsoever although he played the entire game.

Figures on the scoring supplied by Coach Larry Leon follow:

| Player | FG | FT | TP |
|---------------|------------|------------|------------|
| Jerry Huml | 52 | 62 | 166 |
| Wayne Herbst | 55 | 29 | 139 |

Lakeland Baptist Society To Sponsor Style Show

The Ways and Means Committee of the Women's Society of the Lakeland Baptist church of Lake Villa, recently announced a Spring style show to be presented by Mari Anne's Dress shop of Antioch, at 8 p.m. April 1st at the Lake Villa Grade school. Mrs. E. M. Jewel, general chairman will be assisted on the committee by Mesdames James Roberson, Maurice Whitacre, Eugene Ivester, Tom Smily and Mrs. Tom Ivester, president of the Society.

Migratory birds often pass over at night, or through unfrequented areas. In many cases, the only evidence man has of their passing by are the "new" calls learned by the mockingbirds.

Roger Lang.....

(continued from page 1)

Wis. where he died six hours later on Sunday morning.

Laufenberg's injuries were confined to lacerations and shock.

The two were on their way home from Burlington where they had gone to see a friend.

Young Lang was driving at normal speed when the accident occurred and the accident is attributed to his unawareness of the slippery place which sent the car out of control.

The son of Mr. and Mrs. H. William Lang of Morley subdivision Roger had been a resident of Antioch nine years. He was born Oct.

1, 1940 in Chicago and came to Antioch when his father became associated with the National Tea Food Store here.

The youth was a member of the Antioch High School varsity basketball team and played half back on the football team. He was a member of the Student council and participated in the Junior Class play.

Last summer he worked at the Antioch Aqua Center as guard and in previous summers at Channel Lake.

Surviving are the parents, H. William and May Belle Lang a brother Douglas, of the home, the maternal grandparents, Mr. and Mrs. Laufenberg, Chicago; and the paternal grandparents, Mr. and Mrs. Richard Langenstrass of North Lake, Illinois.

OLDSMOBILE'S NEW

J2 ROCKET!

SUPER 88 HOLIDAY COUPE

TRIPLE-ACTION RESERVE POWER!
Simply nudge the accelerator beyond the 3/4 mark and you "call out the reserves!" The J-2 Rocket then operates on three dual carburetors! J-2 is available now at a modest extra cost. Try it!

It's the most exciting engine development since the first Rocket was launched! Engineers have dreamed for years of an engine that combined exceptional horsepower and torque potential with outstanding fuel economy in normal operation. And today, Olds has it in the new J-2 Rocket. You'll find it's like two engines under the hood! In your day-to-day driving, you enjoy the smooth, alert action of the Rocket—with the fuel economy of dual-jet carburetion and a 10-to-1 compression ratio. But to meet the exceptional driving situation, just open the accelerator beyond the 3/4 point and two additional carburetors automatically jet into action. There's an instant boost in torque and power. You'll appreciate the immediate response as another Olds contribution to your pleasure and safety at the wheel!

*277 h.p. Rocket T-400 Engine standard on all models. J-2 Rocket Engine, with 300 h.p., and special Rocket Engine, with up to 312 h.p., optional at extra cost.
